LA COSA NOSTRA
AR - CONSPIRACY

Rerep of SA [redacted] 7/19/65, at New York and Bureau letter to Chicago 8/20/65. b6 b7C

The Chicago Office from the inception of the Criminal Intelligence Program has been most desirous of ascertaining the identity of LCN members in the Chicago "family", and this office in the past and particularly now, has been very cognizant of any person who might be a member of this organization or any person who we could surmise might be a suspected LCN member. In this area of suspected members, Chicago could only be certain of one person, SEBASTIAN JOHN GULOTTA from the Rockford, Illinois, area. He was so listed in the rerep of SA [redacted] There were many persons who were believed to hold a potential of being groomed for LCN membership or there was a possibility in the making of a person being considered for future initiation into the LCN. These persons were appropriately set forth in rerep under "potential member".

The Bureau requirements for designating membership in the LCN are very clear and certainly well founded. There are a number of individuals in the Chicago area who are not suspected LCN members but because of their activity, associates and background hold a potential of being groomed at some time or another for inclusion in the membership of this organization. In almost every instance, Chicago is aware of the activities of these persons as potential members through either current or past investigation or through informants who are in a position to know the individuals mentioned.

Cases are now opened in the 92 classification on the following persons whose potential appears greatest for future consideration for LCN membership:

[redacted] b6 b7C
BEN FILLICHIO
FRANK FRATTO
DOMINIC GALIANO
LEONARD GIANOLA
SAM CESARIO

The list of persons set forth in referenced Bureau letter has been carefully reviewed and analyzed. From that list the above cases have been opened and active and intensive investigation is being conducted. In connection with others mentioned the following observations are made:

MIKE CALDARULO (deceased)

JASPER BERNARD CALO (LCN member, resides in Italy but is United States citizen. Dead file maintained.)

NICK CIRCELLA (deported to South America but now resides Mexico City, Mexico.)

FRANK LISCANDRELLA (incarcerated U. S. penitentiary.)

JOSEPH LISCANDRELLA (deceased)

GEORGE C. TUFFANELLI (recent review of CG 6343-C* shows not LCN member)

The Chicago Office at the present time has pending cases in other classifications concerning the following:

CG 92-1173

DOMINIC CORTINA (165-462)
[redacted]
[redacted] (166-83) b6 b7C b7D
ANTHONY PITELLO, aka. Tony Orlando (162-647)
JOE SPADAVECCHIO (166-83)
JOHN VARELLI (92-1358) (P* with current FHA investigation being conducted)

In connection with other individuals listed as potential members, the Chicago Office is in a position to remain abreast of their activities through sources and corollary investigations. In some instances the person is a known cartage or jewel thief who associates principally with persons in the organized criminal element in Chicago. Their background and national origin is such that at some time in the future such a person could be considered for grooming as an LCN member. There are several persons who are active in the "juice" racket or who are regarded only as "collectors", yet their associates are close to organized crime and the person's background and origin such that they could be considered for grooming in the LCN. In some instances the persons mentioned have been known to this office for many years and previous investigations have indicated that although close to LCN members and probably used by them no information is known that he is a member or suspected member, yet, such a persons would hold potential for constant future evaluation. In almost every instance information is forthcoming concerning these persons, consequently no AR investigation is being initiated at this time, UACB.

The Chicago Office attempts to carefully review any and all information obtained from both 92 matters and gambling investigations. Wherever it is determined that the individual is worthy of additional investigation, such inquiries are made or an appropriate 92 case is opened with emphasis on his LCN connections.

Chicago will conscientiously remain alert to their responsibilities in the area of the Criminal Intelligence Program. Every effort is being extended to insure that no person is overlooked who offers any potential as LCN material through his associates or his activities.

STATE OF ILLINOIS
DEPARTMENT OF PUBLIC SAFETY
DIVISION OF THE CRIMINOLOGIST
JOLIET D. B. UNIT

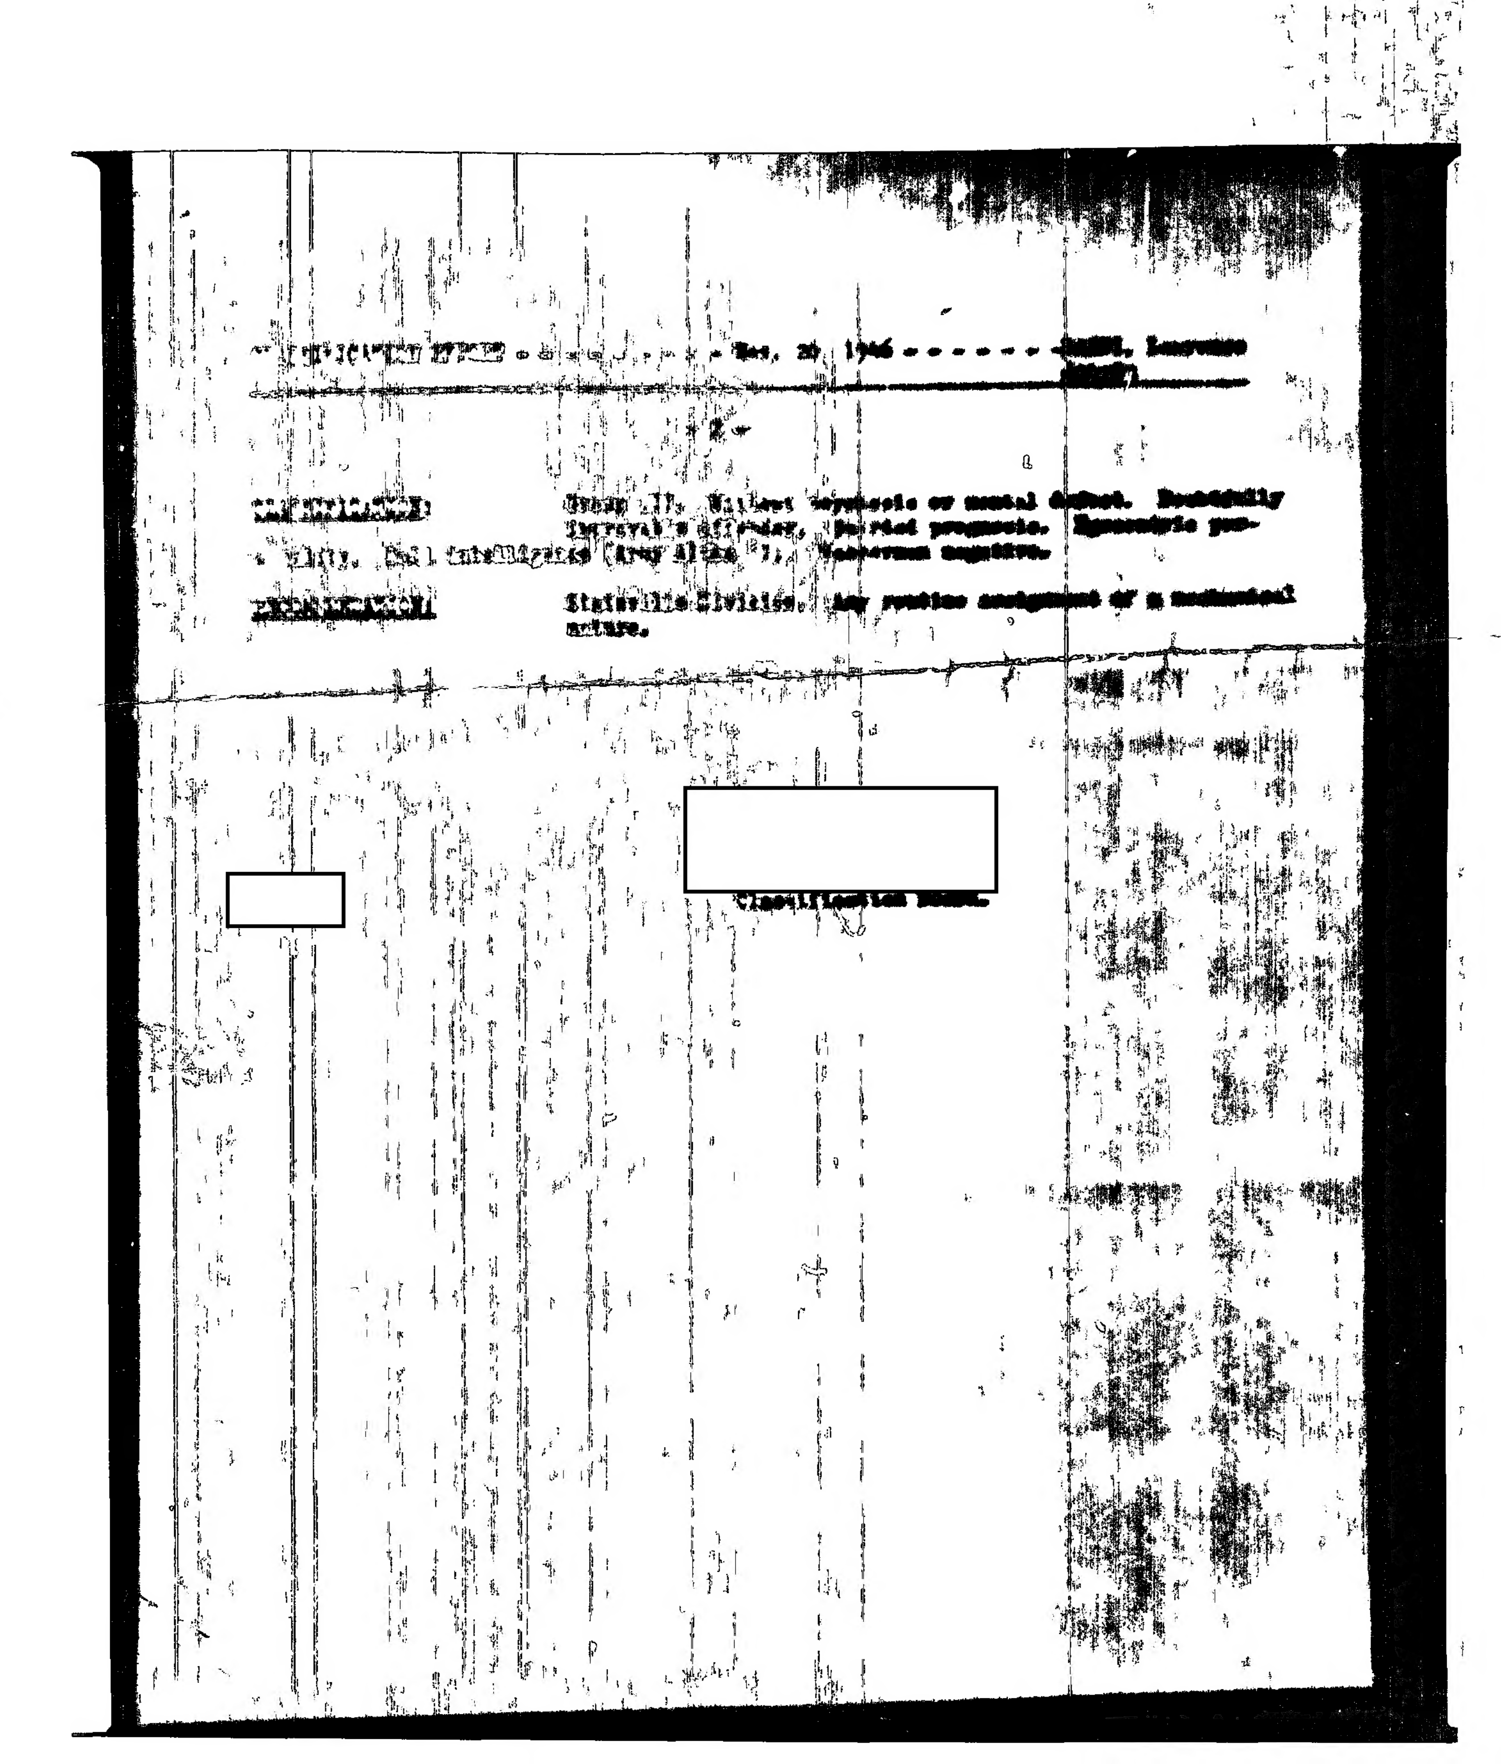

CLASSIFICATION REPORT

Name: BRADY, Lawrence Age: [illegible]
Crime: Armed Robbery & Burglary

[illegible]: Inmate was received from Cook County under [illegible] sentences of 1-3 years for armed robbery and burglary. [illegible] to the State's Attorney's report, our inmate, accompanied by [redacted] [illegible] #24284, held up the night watchman and several employees of the [illegible] Pen Company in Chicago, about midnight of March [illegible] [illegible] roof of the pen company and were in the act of removing [illegible] [illegible] they were caught by two squads of policemen that noticed that the flood [illegible] had been turned off. At the time of this offense, our [illegible] [illegible] was a Chicago policeman. Inmate admitted his guilt and [illegible] of his participation. His previous record includes [illegible] days in the [illegible] [illegible] in 193[illegible] for petty larceny and a sentence of a year and a day to the [illegible] Penitentiary at Terre Haute, Indiana, for violation of the Internal [illegible]. He was admitted to that institution on June 24, 1942, and received a [illegible] on April 14, 1943. He was subsequently arrested for violation of [illegible] release and served the rest of his sentence in the Cook County Jail [illegible]. In addition, he has several other arrests on suspicion of violating [illegible]. The offense which sent him to the United States Penitentiary consisted of [illegible] illicit supplies to and illicit alcohol away from an [illegible] still.

[illegible] FACTORS: Inmate was born in Chicago, Illinois, [illegible] the youngest of two siblings. His [illegible] born, and he states his father formerly worked fairly steady as a [illegible] is now on Old Age pension. Strong cultural conflicts appear to [illegible] home, combined with economic insecurity. Inmate has always lived in [illegible] in delinquent neighborhoods of immigrant composition. He [illegible] schools, finally quitting while in the sixth grade. From 19[illegible] his [illegible] been quite irregular, and has included cab driving, peddlers' helper, [illegible] operating his own pool room. Obviously much of his income has been derived from gambling and through marginal, if not illegal activities. He worked in a dining room there, in Terre Haute, and seems to have adjusted fairly well. He has been married three times, once from 1937 - 1942; once during 194[illegible], and again in August of [illegible]. Apparently he has not adjusted well in any of his marriages. [illegible] seem to have been commercialized and otherwise within normal limits.

[illegible]ALITY: This is a short, stocky individual of [illegible] who was rather sullen and uncommunicative during the interview. His delinquencies seem to have resulted from residence in delinquent neighborhoods and from the strong cultural conflict in the home, which caused him to seek his [illegible] of [illegible] from these neighborhoods. He appears to have developed a [illegible] [illegible] and to have been associated with at least [illegible] [illegible]. The present offense was so advanced [illegible] [illegible] and it seems likely that our inmate has [illegible] [illegible] in the present offense [illegible] himself. He makes no physical complaint [illegible] and he shows little capacity or disposition for [illegible].

[illegible] Dec. 20, 1946 - - - - - - [illegible], Lawrence [illegible]

Chicago report dated 12-31-64 by SA [redacted] entitled "FRANK ORLANDO" contains the following information in the synopsis. b6 b7C

FRANK ORLANDO was observed in Chicago in October, 1964. LAWRENCE BUONAGUIDI, FRANK ORLANDO and [redacted] were reportedly running a ziganetti game at 501 North Clark Street, Chicago. On 11-29-64, the Chicago Police Department raided 501 N. Clark. On 12-22-64 Internal Revenue Service and the Chicago Police Department raided 501 N. Clark. Various individuals, including ORLANDO, were at 501 N. Clark at the time of the raid.

On 11-3-64, ORLANDO's vehicle was observed parked in the 500 block of North Clark. On the same day, [redacted] blue Chevrolet, was observed parked in the same block. [redacted] LAWRENCE BONAGUIDI's 1964 grey Buick, 1964 Illinois license number CD-1991 was also observed in the same vicinity.

In November, 1964, PCI [redacted] contacted by SA [redacted], on 11-19-64, 11-30-64, 12-13-64 and 12-15-64, furnished information that LAWRENCE BUONAGUIDI, FRANK ORLANDO and [redacted] were running a ziganetti game at the Rambler Social Club, 501 N. Clark Street. b6 b7C b7D

162-608-10

Chicago memo of SA [redacted] dated 3-19-65 captioned "Gambling Activities, 501 N. Clark Street, Chicago, Illinois" reflects the following information. b6 b7C b7D

Inquiry concerning instant matter was opened on 2-1-65 following receipt of information from [redacted] that gambling in the form of "Zigonetti" was being held each Sunday at captioned location.

According to information received from [redacted] and from investigation conducted there appears to be no violation of the Federal gambling statutes connected with the operation of the captioned game. Informant has identified the operators of the game as LARRY "THE HOOD" BUONAGUIDI, [redacted] (LNU).

165-584-205 p.B

Chicago report dated 4-28-65 by SA LOGAN C. PICKERL entitled [redacted] Aka." reflects the following information on the administrative pages of the report. b6 b7C b7D

On 2-10-65 [redacted] advised SA [redacted] that he visited the [redacted] being operated at 1828 South Cicero Avenue by [redacted] and at that time found the game well attended and the money action very high. He indicated that in attendance at the game was one "LARRY THE HOOD" (LNU) who attended the game with one [redacted] (LNU). LARRY THE HOOD lost money and rather than borrow from the "juice" men present, he sent out for more money with which to gamble.

92-1409-53 p.3

Officer [redacted] Chicago Police Department, (requested) advised SA [redacted] on 2-12-65 that he had heard JOE LA BARBARA, who was originally from New York, had recently been run out of the 18th Chicago Police Department by JAMES ALLEGRETTI. It was determined that LA BARBARA was in a fight with LARRY "THE HOOD" BOUNIGUIDI in the Rainbow Restaurant, which is located next door to the Subway Pool Hall, 1136 N. Clark

Street. The fight was apparently the result of BOUNIGUIDI calling LA BARBARA "Sleeves". Apparently LA BARBARA will not tolerate anyone referring to him as "Sleeves".

It was felt that because of LA BARBARA's arrest in 1964 for having a concealed weapon and because of this fight with BOUNIGUIDI, he was bringing too much publicity to the "outfit" and created an unwelcome situation.

162-14-1040 p.1

PCI [redacted] was contacted by SA [redacted] on 3/12,15,16/65. b6 b7C b7D

On 3-15-65 PCI advised that he continues to visit the Rambler Club, 501 N. Clark Street nearly every day. He advised that there is a fairly high stakes card game daily at this place.

Informant will not testify to the above inasmuch as informant is fearful for life and safety [redacted] In the event this information is disseminated, it should be suitably paraphrased to protect the informant.

162-608-39 p.2,4

[redacted] was contacted on numerous dates in December, 1964, January, February, March and April, 1965, by SAs [redacted] and [redacted] Informant advised that members of the hoodlum element on Chicago's

North side are primarily the attendees at a high stake card game referred to as "zigonette". This game has been taking place since the Fall of 1964 at the Rambler Athletic Club, 501 N. Clark, Chicago, Illinois, regularly on Sundays.

The game is operated primarily by [redacted] of JAMES ALLEGRETTI, the hoodlum leader in the Rush Street area and LAWRENCE BUONAGUIDI, also known as "LARRY THE HOOD".

Investigation failed to reflect that the operation of the "zigonette" game at the Rambler Athletic Club was in violation of Federal gambling statutes. In view of lack of a Federal violation concerning gambling involving the "zigonette" game, a complaint and search b6
warrant were signed by an SA of the FBI and presented b7C
to Municipal Court Judge ALFONSE F. WELLS on 5-23-65, b7D
for his signature.

The search and complaint warrants were turned over to Lieutenant [redacted] Intelligence Unit, Chicago Police Department, for execution on 4-25-65. The raid was instituted at 2:20 p.m. and among the individuals arrested was LAWRENCE BUONAGUIDI. He was charged as being one of the keepers.

18 persons, six of them syndicate-connected hoodlums, were arrested in the raid after police broke into the Rambler Athletic Club at 501 N. Clark.

The six were identified by the raiders as FRANK ORLANDO, BEN POLICHERI, LARRY BUONAGUIDI, CARL PIO,

NATE ZUCKERMAN and JOHN LIBERTI.

Raiders said the spot has been in operation for about two years and attracted hoodlums who were looking for a place to gamble. The reason, they said, was that many other gambling spots are closed on Sundays.

POLICHERI, BUONAGUIDI and PIO were charged with being keepers of a gambling house. The other 15 were charged with being inmates. All 18 are scheduled to appear in Rackets Court at 10 a.m., Monday.

Lieutenant [redacted] Commander, Vice Control Division, Prostitution and Obscene Matter Unit, Chicago Police Department, advised on 9-21-65 that vice officers of his unit have been conducting highly confidential investigation concerning large scale prostitution activity involving several cab companies and drivers in Chicago. The police department investigation commenced in June, 1965.

Procedure is that tricks arrive in Chicago and while riding in a cab, they are solicited by certain cab drivers to determine if they want girls. The cab driver takes tricks to the vicinity of Ohio and State Streets, Chicago. This is the area of the Regency and Berkshire Hotels, where known syndicate members congregate, some of which are known by the Police Department to exercise actual supervision over this operation. Namely, there is MIKE GLITTA, believed to be the new vice overlord, having taken over the North Side prostitution operation from JIMMY ALLEGRETTI. GLITTA's lieutenant, who acts in a supervisory capacity and also involved, is LARRY THE HOOD BONAGUIDI. After tricks arrive in the vicinity by cab, tricks are interviewed and "cleared" by one of numerous white male subjects, available at this location. After subsequent clearing they are transferred to private car and then transported by one of several drivers to one of several apartments for the purpose of prostitution.

FEDERAL BUREAU OF INVESTIGATION

Date October 7, 1965

LAWRENCE BRADI, also known as LAWRENCE BUONAGUIDI, was observed in front of the sandwich shop at 1607 North Park Avenue, Chicago. He was approached and engaged in conversation. He was told that he did not have to make a statement and that any statement he might give could be used against him in court proceedings. He was advised of his right to counsel and no threats or promises were made him.

During the ensuing conversation which dealt primarily with general crime conditions on Chicago's near north side, he stated that he did not know about the other individuals known as hoodlums, but that conditions in Chicago had not been going well for him. He stated that he had not turned to stealing yet; but he knew he could be successful in that venture if he wanted to. He stated he continues to play cards and is making a living doing same. He stated that he knows of no other way to make a living since he cannot get a job because of his criminal record and he prefers to play cards rather than steal.

BRADI stated he can be found at the sandwich shop on a daily basis and most of his friends are there also. He refused to discuss or make any comment concerning his associates.

Concerning his family, he stated that his son is in pre-law at Loyola University and is putting himself through school since he, BRADI, is not in a financial position to give him enough financial assistance.

BRADI stated he wished the "G" would leave his associates and himself alone since they are not forcing anyone to play cards and gamble and no matter how much "heat" is placed on gambling, there is still going to be gambling taking place.

BRADI stated that any time anyone wanted to see him, they could find him at his residence at 2618 North Francisco, Chicago, or at the sandwich shop. He reiterated that he is in no way associated with prostitution activities or the call girl service and that, along with being involved with narcotics, are the two types of activities which he cannot personally tolerate.

He remarked that his wife appears to be recovering from her recent surgery for cancer and that his oldest son [redacted], who is [redacted] years of age, plans to enter law school this fall providing he can assist him financially. b6 b7C

BRADI stated he did not mind talking about himself and his activities; however, he would never say anything about his associates. FRANK ORLANDO was observed across the street and, when asked if ORLANDO's Pad A-Go-Go was successful, BRADI stated he, ORLANDO, was there every night; however, the crowds were small and ORLANDO was not making a go of it.

BRADI stated he understood the FBI's interest in investigating individuals on Chicago's near north side; however, he was not willing to furnish information concerning same.

Interviews

FD-302 (Rev. 1-25-60) FEDERAL BUREAU OF INVESTIGATION

Date September 13, 1963

LAWRENCE BUONAGUIDE advised he resides at 2618 North Francisco Avenue, Chicago, Illinois, where he is generally known by the name of LAWRENCE BRADI. He assumed that name some time back and it has been legalized.

The purpose of changing his name was to prevent people from automatically assuming him to be an individual who was in trouble or involved in illegal matters. He feels that individuals with Italian names are persecuted and in his case he did not feel it justified.

He drives a 1963 Buick bearing Illinois license 784-217. He gains his livelyhood from playing "short" cards and although he has been arrested on gambling charges in the past and most recently in July, he was arrested unjustly on all occasions. His only knowledge of individuals alleged to be hoodlums has been obtained from what he has read in the papers and he knows nothing of the activities of these individuals. He was raised on the Northwest side of Chicago and has spent all his life in Chicago.

He advised he did not know JIMMY ALLEGRETTI, JOE ARNOLD, JOE DE VARCO, GUS ALEX, FRANK FERRARO, or ROSS PRIO, and in the event he would knew these individuals and anything about their whereabouts or activities, he would not furnish any information concerning same. He will gladly talk to representatives of the FBI and he is certain the FBI knows his background completely. He refused to state where he was employed and said that information could be obtained from his income tax form. Regarding the places where he spends a considerable amount of time, he stated that the FBI had these places "covered" and knew exactly where he spent most of his time. He stated he is not engaged in any activities which are unlawful in regards to his card playing. He refused to name his associates and indicated that their playing was as friends. Any monies bet was of a friendly nature and no different than the gambling done by any other individuals who are not haunted by law enforcement officials.

From observation and interrogation, BUONAGUIDE is described as follows:

LAWRENCE BRADI, formerly known as LAWRENCE BUONAGUIDI until his name was legally changed approximately three weeks ago, approached SA [redacted] with whom he has conversed on several occasions, at the corner of Wabash Avenue and Delaware Place. b6 b7C

In the ensuing conversation, BRADI stated "You guys have knocked me out of business," referring to the gambling raids conducted by the Chicago Police Department and due to the fact that the most recent raid on his game was brought about by the Police Department receiving a warrant filed by Agent [redacted]. BRADI stated he did not know what he was to do now and that he might have to return to being a thief since he had been one in the past and had been a "good one". BRADI stated "Why don't you leave me alone, you know what I do, that the only thing I've done for years has been play cards and shoot craps."

BRADI stated he is not the only one "hurt" as his associates cannot find jobs either because of their criminal records. BRADI was told that the FBI is only doing its job when it is aware that gambling is taking place and makes efforts to eradicate same. He stated he understood that the FBI has a job to do but why pick on him and his associates when in the past there had been no problem with their gambling activities and it was his only way of making a living. He stated he had never forced anyone to gamble and if gamblers were willing to gamble he certainly was willing to take a chance and win money from them for his livlihood.

BRADI stated, although he has had girl friends, he has never "hustled" a girl and would never do so. He stated he has never taken a "buck" from any of his girls.

He was asked the circumstances of his being ejected from Sportsmans Park last month and stated "You know all about me; what can I say." He stated he infrequently visited the

race tracks and now he cannot even do that. He stated he was completely disillusioned as are his associates and if this situation continues he would just as soon be in jail. He remarked that his wife appears to be recovering from her recent surgery for cancer and that his oldest son, [redacted] who is [redacted] years of age, plans to enter law school this fall providing he can assist him financially. b6 b7C

BRADI stated he did not mind talking about himself and his activities; however, he would never say anything about his associates. FRANK ORLANDO was observed across the street and, when asked if ORLANDO's Pad A-Go-Go was successful, BRADI stated he, ORLANDO, was there every night; however, the crowds were small and ORLANDO was not making a go of it.

BRADI stated he understood the FBI's interest in investigating individuals on Chicago's near north side; however, he was not willing to furnish information concerning same.

LAWRENCE BRADI, also known as LAWRENCE BUONAGUIDI, was observed in front of the sandwich shop at 1607 North Park Avenue, Chicago. He was approached and engaged in conversation. He was told that he did not have to make a statement and that any statement he might give could be used against him in court proceedings. He was advised of his right to counsel and no threats or promises were made him.

During the ensuing conversation which dealt primarily with general crime conditions on Chicago's near north side, he stated that he did not know about the other individuals known as hoodlums, but that conditions in Chicago had not been going well for him. He stated that he had not turned to stealing yet, but he knew he could be successful in that venture if he wanted to. He stated he continues to play cards and is making a living doing same. He stated that he knows of no other way to make a living since he cannot get a job because of his criminal record and he prefers to play cards rather than steal.

BRADI stated he can be found at the sandwich shop on a daily basis and most of his friends are there also. He refused to discuss or make any comment concerning his associates.

Concerning his family, he stated that his son is in pre-law at Loyola University and is putting himself through school since he, BRADI, is not in a financial position to give him enough financial assistance.

BRADI stated he wished the "G" would leave his associates and himself alone since they are not forcing anyone to play cards and gamble and no matter how much "heat" is placed on gambling, there is still going to be gambling taking place.

BRADI stated that any time anyone wanted to see him, they could find him at his residence at 2618 North Francisco, Chicago, or at the sandwich shop. He reiterated that he is in no way associated with prostitution activities or the call girl service and that, along with being involved with narcotics, are the two types of activities which he cannot personally tolerate.

godson of ROSS PRIO.

CG T-4 advised that JOSEPH ARNOLD and FELIX ALDERISIO attended the wake for ROSS BRADI on March 2, 1966.

Hangouts

SAs of the FBI during the months of February and March, 1966, observed BRADI on various occasions in the French Quarter area of Chicago, Tooker Place and State, at the snack shop at 1607 North Park, and at the La Salle Athletic and Social Club, 850 West Armitage, all in Chicago. MICHAEL GLITTA was observed in the company of BRADI on several occasions at the La Salle Athletic and Social Club and in the French Quarter area.

BRADI and associates played cards at same which consisted primarily of "short cards" and "gin." This past fall, BRADI's group moved to the La Salle Athletic and Social Club at 850 West Armitage. [redacted] stated he recently understood that BRADI's group is not as welcome at the La Salle Athletic and Social Club as they had been in the past and recently have commenced frequenting the snack shop on the more regular basis.

[redacted] stated that in connection with playing cards at the snack shop where he has played for many years, the house receives so much an hour for furnishing a place to play as well as furnishing the cards. Any financial arrangement you have with your card-playing opponent is up to the two of you.

Gambling Activities

CG T-3 advised that card games operate at the

La Salle Athletic and Social Club and that [redacted] who operates [redacted] is a frequent visitor to the club. b6 b7C b7D

In addition the pay telephone at that address, number LI 9-9768, is utilized by individuals who frequent the club ,and in addition is used to receive call-out bets on sporting events.

CG T-6 indicated that an individual known as "LARRY the hood" appears to be responsible for the card playing at that address. The house gets so much money from each pot and when a dealer is used he can cut between $10 and $14 every half hour on a game using a $2 to $4 limit.

CG T-6 stated that the house cut is put in a dish towel and every half hour when games are running, "LARRY the hood" makes an accounting of each game.

Eight individuals were at the club at that time, including BRADI; however, no gambling evidence was observed other than several decks of playing cards. b6 b7C

[redacted] stated that from investigation he has determined that it is obvious that card playing among the individuals who frequent the club is for money; however, it is seldom that they have money on the table but instead keep score on a pad. In addition the card players are aware of the patrolling and work hours of the vice squad and pretty much know when they can indulge in a game where money is shown.

[redacted] said inasmuch as gambling for money obviously is included in the card games that the vice officers make frequent checks at the club as well as at the snack shop at 1607 North Park. [redacted] stated the following individuals were at the club on February 13, 1966:

[redacted] was contacted by SA LENARD A. WOLF on 6/24/66 at which time the CTE requested that SA WOLF contact him on 6/28/66.

On 6/28/66, the CTE furnished the following information:

The CTE said that FIORE BUCCIERI has always been "greedy" and has wanted to be "the boss" of "The Life" (The Chicago criminal organization). He said that BUCCIERI and "TEETS" BATTAGLIA have never been on good terms with each other. The CTE said that a few months after SAM GIANCANA went to jail, for refusing to testify after being granted immunity, FIORE BUCCIERI had taken over some territory on the north side and far south side of Chicago much to the chagrin of other factions of "The Life."

The CTE said that about a month ago JOSEPH FERRIOLA and PHIL ALDERISIO had got into an argument one night in a north side restaurant or night club. The CTE said the argument was quite heated and ALDERISIO had threatened to take FERRIOLA apart limb by limb. The CTE said this argument should never have occurred but that it did, and that to make matters worse it occurred in public.

The CTE said that since then the BUCCIERI group and the BATTAGLIA group, with whom ALDERISIO is associated, have been at loggerheads. Both sides have been soliciting help from the other factions of "The Life."

The CTE said that he obtained the above information from two different sources, one source being [redacted] He said [redacted] is presently associated with [redacted] and [redacted]

b6
b7C
b7D

The CTE said that WILLIE DADDANO is trying to remain neutral in the above fight. He said DADDANO would like to get out of "The Life" and move to Florida, but that they won't

[redacted] b7D

let him leave the organization. The CTE said that DADDANO and "BLACK JOE" AMATO are partners.

The CTE stated that CHARLES NICOLETTI is also trying to stay neutral in the above fight between the BUCCIERI and BATTAGLIA groups, and that JACK CERONE will probably back the BATTAGLIA group.

The CTE said that since SAM GIANCANA has been out of jail he has been very quiet and has not tried to "pick up the pieces" where he left off when he went into jail. The CTE said that he has received this information from [redacted] who has [redacted]

The CTE said that "TEETS" BATTAGLIA is still acting as "The Boss" although he does not want the job.

The CTE said that "TEETS" will probably have to call a meeting within a month or so to iron out the differences between the BATTAGLIA and BUCCIERI groups. The CTE said this would have to be a meeting before the members of the Chicago commission. The CTE is not sure but believes the commission at the present time would consist of the following members:

LEONARD GIANOLA
JACK CERONE
FIORE BUCCIERI
CHARLES NICOLETTI
[redacted] b6
SAM BATTAGLIA b7C

The CTE said that SAM GIANCANA is still the boss over FIORE BUCCIERI and that after GIANCANA got out of jail he apparently made BUCCIERI relinquish some of the spots he had grabbed while GIANCANA was in jail. The CTE said there was a couple of spots on the north side that BUCCIERI had taken over but that are now being operated by PHIL ALDERISIO.

The CTE said ALDERISIO has everything in the Townhall District.

[redacted] b7D

The CTE said that the members of "The Life" are all complaining about how rough things are, and they are all trying to find legitimate businesses to put their money in. In view of this, the CTE was surprised to learn that "The Life" is going to make 12 new members. The CTE did not know when or where the members were going to be made but said that one of the new members was going to be "LARRY-THE-HOOD" (LARRY BUONAGUIDI).

The CTE said that TONY ACCARDO and PAUL RICCA are still very strong in "The Life." The CTE said that if the fight between BATTAGLIA's group and BUCCIERI's group gets worse that ACCARDO may step back in as "Boss" although he would be reluctant to do so.

The CTE advised that in the BUCCIERI group all proceeds from the operations of this group goes into one pot and is then divided up among the members with a certain percentage going to BUCCIERI who must in turn cut his share with GIANCANA.

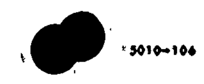

The CTE said that GUS ALEX, [redacted] and LEONARD PATRICK answer only to "The Boss." He said they pay a certain percentage of their profits to "The Boss" and do not take any part in meetings of "The Life." b6 b7C b7D

The CTE said formerly [redacted] had answered to MURRAY HUMPHREYS and HUMPHREYS answered to "The Boss", but now since HUMPHREYS' death [redacted] answers directly to "The Boss."

The CTE advised that in connection with the ITAR raids conducted by the FBI in East Chicago, Indiana, about a month ago the newspapers had reported the gambling spots were operated under the aegis of FIORE BUCCIERI. The CTE said this was not true and that these games were being operated for ROSS PRIO.

The CTE stated that FRANK BUCCIERI has become very arrogant in the last year or two. He said FRANK is the business brains for the BUCCIERI organization and is a front man for FIORE BUCCIERI.

Informant advised that on Sunday morning, 7/3/66, the dice game behind the Banquet on a Bun, 911 North Rush, was raided by a Lieutenant from the 18th District, Chicago Police Department and a patrol wagon. This game had been operating as previously reported by the informant. At the game were [redacted] FRANK ORLANDO [redacted] working for KEN ETO and is possibly employed at Bourbon Street. There were several others picked up by the Lieutenant and placed in the patrol wagon. They were driven about two blocks away and then a deal was made by those picked up with the Lieutenant to turn them loose for $100.

Informant stated that about a week prior the same game was raided by the police and those involved were released after paying $50 to the police. The informant did not know if the previous pickup was made by the 18th District but he assumed it was.

[redacted] b7D

Informant stated that the dice game was being operated by LARRY BRADI and that he was making three to four dollars on every pot plus literally stealing money from those in the game who had no recourse when LARRY or his number one helper, [redacted] would help themselves b6
to money on the ground. This game was being played on b7C
the ground in the parking lot behind 911 North Rush and was b7D
attended off and on by many individuals who were immediately "taken".

Informant identified the Lieutenant as appearing to be a light skinned Negro, who was assigned to the 18th District.

Due to the close association developed between SA [redacted] and Commander [redacted] since b6
[redacted] appointment as Commander of the 18th District b7C
and the apparent sincereness of [redacted] in his approach to police work and in fighting organized crime as well as his repeated respect and admiration for the FBI, above information was furnished to him. Also previously he had requested SA [redacted] to furnish him the names of any police officer in the 18th District who was associated with the hoodlum element or who was "taking" money or anything from the criminal element. He indicated that if the FBI had any knowledge he would most certainly appreciate same, that it would be in strictest confidence and he would act accordingly and most certainly in the best interest of law enforcement. When advised of above information, he stated he didnot have a Negro lieutenant in his command; however, he had a young lieutenant on the first watch who most conveniently could pass for a light skinned Negro and could be the lieutenant in question. He was most appreciative of this information and stated the Bureau could be assured that he would take appropriate action concerning this matter.

Informant advised that LARRY BRADI [redacted] Currently BRADI has no regularly scheduled poker game and is spending most of his time making "collections." b7D

Informant stated that on June 7, 1966, BRADI met MIKE GLITTA in Cartons Restaurant in the Maryland Hotel and made a payoff to GLITTA.

Informant stated that JOSEPH ARNOLD's business, known as Shirts Unlimited, at 843 North State, which is a men's haberdashery, is doing a good business in addition to serving as a place for outfit members to meet and control "action" on the near north side. ARNOLD runs the operation from that loction and is there most all of the time.

Because of this shake down, BRADI has not had his game in operation for the past three mornings and instead is looking for a location inside.

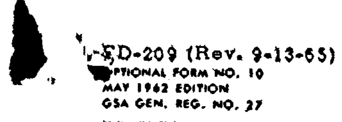

Informant advised that the young cop from the 18th District who has played in the game was described as being in his early 20's, about 5'8" in height and weighing between 175 and 80 pounds. This police officer did not play in uniform behind the Banquet on a Bun, 911 North Rush Street, but has played in his uniform in the Tender Trap Bar [redacted]

Informant advised that for the past several days, a crap game has been taking place in the parking lot in back of Banquet On A Bun, 911 North Rush Street, Chicago. The game starts about 5 a.m. or 6 a.m. and runs for two or three hours. The game is operated by LARRY BRADI who, in the past week or so, has apparently attained a position of responsibility in view of his action. He has assumed some form of added responsibility in connection with "action" in the Rush Street area.

Assisting BRADI in the operation of the game is a [redacted] is also a frequent patron. b6 b7C b7D

Informant stated that the game is played on the ground in the parking area, and that there does not appear to be any lookouts or security. One reason for same is that this is at the end of a police shift and there is very little activity in the way of business taking place at that hour of the morning. A young police officer attached to the 18th District and who generally rides a three-wheeler is a frequent patron. He is a good friend of [redacted]" looks about 20 years of age, stands 5'8" in height, weighs about 165 pounds, has a light complexion and light brown hair. He is a sharp looking individual and is very interested in gambling. Another frequent patron is a man named [redacted] who is "Jewish," is about [redacted] years of age, is small in stature, thin and owns a liquor store on Chicago's south side. He drives a red Cadillac convertible and has lost a considerable amount of money at the game.

On the previous [redacted] at the game. Informant [redacted] As many as 25 people have been at the game at one time and Sunday morning, in the past, has been lucrative for the game.

Informant advised that he had recently heard that the individual known as [redacted] is actually [redacted] b6 (phonetic), who drives a car bearing Indiana license b7C [redacted] This individual maintains a room at the Illiana b7D Hotel in Whiting, but actually lives somewhere in Chicago with a girlfriend.

[redacted] one of the owners of the FORSYTHE game drives an automobile with Indiana license [redacted] which is registered in Elkhart County, Indiana. [redacted] does not have a permanent residence and stays in various hotels in the Gary and East Chicago area. Informant thinks that the above license number will be registered to a trailer court.

[redacted] still has a hotel room at the Stevens in East Chicago, Indiana, but has made up with his wife and is again spending most of his time at home.

As a result of the recent bad publicity in "Time" magazine as well as the Chicago papers, practically all of the colored gambling joints in Gary are closed. The K of P in East Chicago had approximately 50 gamblers in it the last time informant was at the place.

Most of the vice dens in Gary, such as the Horseshoe Central and Pete's Little Island all have secret rooms in the back of the building and all their prostitutes are white. Most of the girls will not take a prostitution date for less than $20.

Informant advised that [redacted] LNU, who [redacted] b6 pays $500 per month to an individual b7C known as [redacted] in advance so that [redacted] can take b7D care of the Police Department and the Mayor's Office. To the best of the informant's knowledge, this is the only money paid with the exception of election time when he must kick in a sizeable political contribution. [redacted] who represents the outfit is an Italian, who speaks Sicilian

fluently. He formerly worked for a horse book in Harvey, Illinois. He came to Gary in approximately 1957 and went to work for JOE WHITEHOUSE (deceased) and [redacted] Shortly thereafter he became front man for the gambling at the Olympia Billiards with [redacted] (phonetic). After that he had worked at various different levels but consistently with the gambling element. Informant does not know his current residence but has observed him driving a new 98 Oldsmobile. Informant advised that [redacted] is presently on "juice" with one [redacted] who lives on the East side of Chicago. [redacted] apparently got on the juice as a result of his heavy gambling as a result of PHIL-LON Barber Shop on Ewing Avenue in South Chicago. This shop previously had bookmaking, poker and craps and was operated by [redacted] (FNU) [redacted] (phonetic), [redacted] (phonetic) and [redacted]. This game was previously frequented by [redacted] of the Forsythe. Informant advised that [redacted] are each on $150 per week juice loan to [redacted] who apparently works for himself, at least the informant has never heard of him being connected with any Chicago hoodlum. He recalls that on one occasion [redacted] not to charge juice if the informant borrowed money from him. Informant stated that the only other information he has regarding [redacted] is that he previously worked as a welder for an unknown industrial company in Chicago.

b6
b7C
b7D

Informant advised that he recently talked with [redacted] and LARRY the HOOD, both of whom stated that they no longer were operating the poker games in one spot or joint because of the concentrated police activity. Instead, they frequently hold the game at various individuals' residences or apartments on the near north side, and notify most of their good players the day before or the day of the game. He indicated that they recently had a game that lasted for 52 hours.

[redacted] b7D

[redacted] who he described as the nephew of [redacted] in 1952 worked as a writer in a horsebook at the Ridge Billiards in Gary, Indiana. He is now the "Big Shot" for the outfit and recently gave [redacted] and another unknown individual half interest in the action at Ridge Billiards. [redacted] presently resides in the Gary Hotel. b6 b7C b7D

[redacted] b7D

[redacted] furnished the following information to SA LENARD A. WOLF on August 11, 1966:

The CTE said that one of the individuals reportedly going to be "made" in the "life" along with "LARRY-the-hood" (LAWRENCE BUONAGUIDI) is BUONAGUIDI's partner on jobs one [redacted] (LNU). The CTE said BUONAGUIDI is not in partnership with this [redacted] on anything but scores for the mob.

b6
b7C
b7D

The CTE said that at the present time he believes the only individuals being "made" are individuals who have proved themselves by doing some act probably a killing.

The CTE said that since about 1952 members of the "life" in Chicago have been ordered to have nothing to do with narcotics. The CTE said that at that time it was discovered that a group of young "kids" in Melrose Park, many from good Italian families and a few from families of high up hoodlums were playing around with narcotics. The order went out at that time that no member was to have anything to do with narcotics. The CTE said that prior to this most of the members were not actually involved in narcotic traffic, but that they had invested in it and had a piece of all the big narcotic action.

The CTE said that in New York the big hoodlums are not supposed to deal in narcotics, however, many of the button men are actively involved in the narcotic racket. The CTE said the difference between Chicago and New York is that in New York all the minor hoodlums are button men, while in Chicago the only individuals who are "made" are hoodlums who have proved themselves by their acts.

The CTE said that shortly after the word went out to all members of "The Life" to keep their hands off narcotics, that "TONY BOY" a hoodlum, was killed onorders from the "the Boss" for dealing in narcotics.

[redacted] b7D

The CTE said that the narcotic conviction of VITO GENOVESE in New York was "a frame" by Federal Narcotic Agents. He said the narcotic conviction of [redacted] b6 was also "a frame." The CTE said that it is now standard b7C operating procedure for Federal Agents to frame someone they suspect of dealing in narcotics when they cannot make a legitimate case against them.

The CTE said that the arrest of "CRACKERS" MENDINO for narcotic violations a few years before his death also was a bad arrest. He said however that [redacted] b6 [redacted] was involved in narcotics and that when he got out on b7C bond following his arrest "CRACKERS" almost killed [redacted] b7D [redacted] for dealing in narcotics.

The CTE said that NOLAN MACK was killed by Federal Narcotic Agents in a dispute over a payoff. The CTE said the officers who killed MACK had been on his payroll for years. He said that on the night MACK was killed they met with MACK and demanded more money.

The CTE said that members of "The Life" had used NOLAN MACK for south side killings for a number of years.

Informant advised that the "sneak" dice game has moved from the parking lot behind the Banquet On The Bun Restaurant to the alley way along side and behind the Scotch Mist Night Club located near the corner of Delaware Place and Wabash.

On Saturday morning, September 3, 1966, FRANK ORLANDO operated the game for LARRY BRADI. BRADI is very concerned with the fact that he is constantly being surveilled. BRADI refers to the surveillance as being the "eye" and indicates it is the government who is watching him. BRADI is making himself absent at most of the games in order to take heat away from same. In order to have additional security, the players are not making the noise they did in the past nor are the game operators taking as much from the play as in the past. There have been no police in the vicinity the past couple of weeks and it is reported "they" are being taken care of.

Informant stated that [redacted], has not been in attendance at the games the past week. Not as many individuals have been attending the game which is not on a regular basis and the location of same is protected by boxes which prevent the players from being seen from the street.

DETAILS:

Activity

On January 4, 1967, [redacted] Vice Officer, 18th District, Chicago Police Department advised that BRADI has been an infrequent visitor to Chicago's near north side area which is covered by the 18th District and he understands that BRADI is spending a considerable amount of time in the 20th District which covers Chicago's far north side.

b6
b7C

Dice Game

CG T-1 advised that BRADI does not have a regularly located "sneak" dice game in operation on Chicago's near north side; however, on occasion he is using a spot in the back of a restaurant in the vicinity of Wilson and Sheridan Road on Chicago's far north side for his "sneak" dice game. CG T-1 also heard that BRADI has a similar setup in the back of a store in the vicinity of North and Western Avenues in Chicago.

At Wakes

CG T-2 advised that BRADI attended the wake for JAMES ZACCAGNINI in Berwyn, Illinois, on November 9, 1966, and also in attendance at the same time BRADI was there were "ROCKY" INFELICE and MARIO DE STEFANO.

CG T-3 advised that BRADI attended the aforementioned wake and that BRADI was in conversation with [redacted] and "ROCKY" INFELICE.

b6
b7C
b7D

It is noted that JAMES ZACCAGNINI was well known among the Chicago criminal element and involved in criminal and hoodlum activities prior to his death.

CG 92-2011

CG T-4 advised that BRADI attended the wake of JOSEPH BULGER on December 5, 1966, at Prigamo's Funeral Home in Melrose Park, Illinois. The following individuals were at the wake at the same time as BRADI: PAUL RICCA, JACK CERONE, FRANK "SKIPPY" CERONE, MARIO DE STEFANO, CHARLES NICOLETTI, LARRY MANFREDI, and DOMINIC SENESE.

It is noted that JOSEPH BULGER was a well known Chicago area attorney who defended leading hoodlum figures and who associated with same in activities involving the hoodlum element.

Associates

CG T-1 advised that [redacted] a taxicab driver in [redacted] area of Chicago who is close to BRADI, has prostitutes working with him in addition to being a heavy horse player. [redacted] reportedly bets at least $500 a week when he has the money. He is a poor horse player and subsequently is broke most of the time.

b6 b7C b7D

It was previously reported that [redacted] who resides at [redacted] Chicago, was interviewed concerning another Federal Bureau of Investigation matter and during this inquiry advised of his knowing the identity of BRADI; however, he was unaware of BRADI's activities. He also denied being involved with BRADI in any form of activity including prostitution.

b6 b7C

[redacted] was reinterviewed on December 15, 1966, by Special Agents [redacted] He reiterated that he was not involved in activities in violation of Federal criminal statutes and in addtion was not in a position to furnish any information which might be of interest to the Federal Bureau of Investigation. He again denied that he is involved with the hoodlum element, that he is a "pimp" or that he is considered other than an

occasional "horse player."

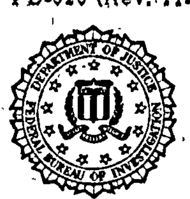

The Chicago Daily News Red Streak Edition, issued on January 11, 1967, carried an article on page one, column one, entitled "Police Fight Loop Vice Invasion" wherein it was reported the arrest of several individuals in connection with prostitution the previous day.

This article carried a photograph of WILLIAM "WHEELS" SCHAVONE indicating that he was one of those individuals arrested in connection with same. SCHAVONE was described as being a taxicab driver who reportedly has operated in prostitution activities for many years in Chicago's Rush Street area.
